### Warranty terms

The warranty period is 24 months from date of invoice. The date of purchase applies to retrofits. Spare parts can be obtained from Spier Spare Parts Sales. Our general terms and conditions apply first and foremost. In order to be able to check warranty or goodwill claims, all dismantled parts must be submitted together with the warranty application for inspection. All parts sent in must be franked and sent at the lowest possible cost. If no spare parts are required, we ask for documentation by photo etc. and prior consultation. In case of ABS / EBS faults please send us the test report.
